

FOOD FRACTIONS

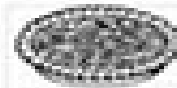

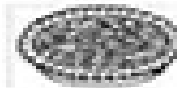

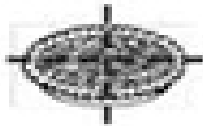

"I just found out that more Shape Shifters are coming to our class party than I planned. I need your help to divide the food."

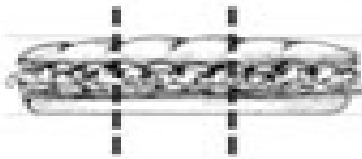

Draw a line to cut these Plutonian hamburgers in half ($\frac{1}{2}$).

Draw a line to cut these pies so each guest can have one-fourth ($\frac{1}{4}$).

Cut each Blaster sandwich so each guest can have one-third ($\frac{1}{3}$).

Circle the cups that are half ($\frac{1}{2}$) full.
