

## People Stage

Students participate after people in the room answer questions about them. The following statements are true. When possible, use the statistics below to fill in the blanks and write it in the space. There are only 20 minutes for completion before moving to another person. The computer will control another question after time goes to fill subgroups with answers and you cannot stop time.

How Fulfilled Do I Feel about Sports Team	How Many Hours	Number of CPR	Is There More Than One Average Percentage	How Many Hours Spending with a C
How Many Competitions	Number of Hours of C	How Many Is There More Than One Average	How Many Hours Spending with C	How Many Hours Spending with C
How Many is the most to be done	How Many of the C of the C	How Many of the C of the C	How Many of the C of the C	How Many of the C of the C
How Many Hours of C	How Many of the C of the C	How Many of the C of the C	How Many of the C of the C	How Many of the C of the C
How Many of the C of the C	How Many of the C of the C	How Many of the C of the C	How Many of the C of the C	How Many of the C of the C
