

Expository Speech

We just finished reading an informative essay about Brown v. Board of Education. In this essay we discussed segregation and what that means. The Little Rock School District was just released from a desegregation case. Do you agree or disagree that desegregation is good? Would you rather attend a school that was all white or all black? Why or why not?

This speech must be at least two paragraphs. You need to make sure you proofread your speech for errors.
