

PLANET RESEARCH

Research the major planets in our solar system. When you have found the answers, fill in the planets.

Mercury
Distance from the Sun _____
Length of time for one revolution around the Sun _____
Diameter _____
Temperature _____
Number of moons _____

Venus
Distance from the Sun _____
Length of time for one revolution around the Sun _____
Diameter _____
Temperature _____
Number of moons _____

Earth
Distance from the Sun _____
Length of time for one revolution around the Sun _____
Diameter _____
Temperature _____
Number of moons _____

Mars
Distance from the Sun _____
Length of time for one revolution around the Sun _____
Diameter _____
Temperature _____
Number of moons _____

Saturn
Distance from the Sun _____
Length of time for one revolution around the Sun _____
Diameter _____
Temperature _____
Number of moons _____

Jupiter
Distance from the Sun _____
Length of time for one revolution around the Sun _____
Diameter _____
Temperature _____
Number of moons _____

Uranus
Distance from the Sun _____
Length of time for one revolution around the Sun _____
Diameter _____
Temperature _____
Number of moons _____

Neptune
Distance from the Sun _____
Length of time for one revolution around the Sun _____
Diameter _____
Temperature _____
Number of moons _____
