

**Sisters Are Doing It For Themselves, Annie Lennox (with Aretha Franklin)**

<p>Now, there was a time when they used to say that behind ev'ry great man, there had to be a great woman. But oh, in these times of change, you know that it's no longer true. So we're comin' out of the kitchen, 'cause there's something we forgot to say to you. We say, Sisters are doin' it for themselves, standin' on their own two feet and ringin' on their own bells. We say, Sisters are doin' it for themselves. Now, this is a song to celebrate the conscious liberation of the female state. Mothers, daughters, and their daughters too, woh yeah, woman to woman, we're singing with you, ooh, ooh. The "inferior sex" has got a new exterior. We got doctors, lawyers, politicians too, ooh ooh ooh, ooh. Ev'rybody, take a look around. Can you see, can you see, can you see, there's a woman right next to youou. We say, Sisters are doin' it for themselves, standin' on their own two feet and ringin' on their own bells. Sisters are doin' it for themselves. Now we ain't makin' stories, and we ain't layin' plans. Don't you know that a man still loves a woman, and a woman still loves a man just the same, though. Ooh ooh ooh ooh ooh ooh ooh. Sisters are doin' it for themselves. There was a time, oh, when they used to say that behind ev'ry great man, there had to be a great woman. In these times of change, you know that it's no longer true</p>	<p>So we're comin' out of the kitchen, 'cause there's something we forgot to say to you. We say, Sisters are doin' it for themselves, standin' on their own two feet and ringin' on their own bells. Sisters are doin' it for themselves. Sisters are doin' it for themselfesselves. Sisters are doin' it, doin' it, doin' it, doin' it, doin' it, doin' it... Sisters are doin' it for themselves, uhhuh, uhhuh, yeah. Sisters are doin' it for themselves, uhhuh, uhhuh, uhhuh, yeah. Sisters are doin' it for themselves. I say, yeah, yeah, Sisters are doin' it for themselves, standin' on their... Sisters are doin' it for themselves.</p>
