Spelling with Adverbs Worksheet (Fill-in)

An adverb is a word that describes a verb, an adjective, or another adverb. Adverbs fall into three categories; When, Where, and How.

Many adverbs are formed by adding *ly* to another word.

Directions: Read each sentence. Change the adjective in parenthesis to an adverb by adding *-ly*. Complete each sentence correctly.

Example A: I _____ completed all my school work. (happy)

Answer: happily

1. My dad _____ ran around the yard when he got his paycheck. (excited)
