

# TABLE OF CONTENTS

INTRODUCTION .....	14	
<b>SKILLS CHECKLISTS</b>		
Science Concepts & Processes Skills Checklist .....	17	
Physical Science Skills Checklist .....	69	
Earth & Space Science Skills Checklist .....	121	
Life Science Skills Checklist .....	172	
Human Body & Health Skills Checklist .....	219	
Science Investigations Skills Checklist .....	269	
<b>SCIENCE CONCEPTS &amp; PROCESSES SKILLS EXERCISES</b> .....		16
Science Concepts & Processes Skills Checklist .....	17	
Science Statements Under Scrutiny . . . (The Nature of Science; Branches of Science) .....	18	
Who Studies What? . . . (Science Fields of Study) .....	20	
Dazzling Discoveries & Ingenious Inventions . . . (Scientific Discoveries & Inventions) .....	22	
History Mysteries . . . (The History of Science) .....	24	
Science Gets Personal . . . (The Nature of Science: Personal & Social Perspectives) .....	26	
Surrounded by Science . . . (The Nature of Science: Personal & Social Perspectives) .....	27	
A Tight Relationship . . . (Science, Technology, & Society) .....	28	
No Escape from Consequences . . . (Science & Technology) .....	29	
Fantastic Explanations . . . (Scientific Laws & Theories) .....	30	
The Search is On . . . (Scientific Inquiry) .....	32	
Sorting Out Big Ideas . . . (Science Concepts) .....	34	
The Whole Thing . . . (Science Concept: Systems) .....	36	
Looking for Order . . . (Science Concepts: Order & Organization) .....	37
