

Stranger Danger - Sheet 8

Warning Signals

You must be immediately on your guard if you are not with a trusted adult and

- * a stranger approaches you and starts talking to you or asking questions.
- * a stranger asks you for help.
- * you think that you are being followed.
- * a vehicle stops and a stranger in the vehicle asks you for help, tries to get your attention or asks you to get in.
- * a stranger offers you sweets or gifts or money.
- * somebody asks you to ignore your parents' rules, asks you to keep a secret, or asks you to go with them.
