

Musical Math

Just like in math, we can add notes together and get a certain number. Write what each of the notes below equal and then try some of the problems! You can work with a partner. Good luck!

Whole-note-hold-it half-note pie

1. + = _____

5. + = _____

2. + = _____

6. + = _____

3. + = _____

7. + + = _____

4. + = _____

8. + + = _____

Great job! See if you can draw your own problem below!
