

Safari Hat Pattern

Reproduce this safari hat on brown paper. Cut out. Cut a 2-inch strip of paper to fit around child's head. Staple the head band to the back of the hat pattern.

Create binoculars for your safari outing by taping together two cardboard tubes cut from paper towel rolls. Add a length of yarn or string for wearing them around the neck.

Reproduce this Rainforest Observer badge on white paper. Color the beetle, cut out the badge, and use a circlet of tape to attach the badge to clothing.
