

Aunt Annie Helps

Dear Aunt Annie,

I am a girl and I love football. I am a very good football player and I want to play for the school team. I score lots of goals, I practise every day, and I really enjoy playing football.

The problem is that my school doesn't have any girls on the football team. The sports teacher says girls can't play football. I really want to play on the team, but I don't know what to do. I think girls can play on the team, too. I want to ask the sports teacher to let me try, but I'm worried he will say no.

Best love,

Dear Sarah,

You are right! I'm sure you can play for the school team if you are a good player. Don't be worried to ask the teacher. If you don't ask, how will the team you want to play?

I think you need to show the teacher how you play. Maybe he will change his mind when he sees how good you are. Talk to him and tell him how you feel. Tell him that boys and girls are equal. The most important thing for the team is to have the best players. They will help the school team win.

Good luck!

Aunt Annie
