COLLEGE CHOICE _____

Note: Students, and parents, are encouraged to begin thinking during the 9th grade year about their choice of college or university in order to match their course selections with the requirements of that school. Many problems during the senior year may be avoided by planning ahead.

* If IPC not taken, must take Biology, Chemistry and Physics

**Bible is required every year. Students coming to WCS after the ninth grade do not need to make up Bible from the years they were not at WCS.
