Science Alignment Worksheet: <u>Kindergarten to Grade 4</u>					
Grade 4 Performance Standard	Grade 4 Framework	Grade 3 Local Framework	Grade 2 Local Framework	Grade 1 Local Framework	Kindergarten Local Framework
By the end of Grade 4:	By the beginning of Grade 4:				
A.4.1 When conducting science investigations, ask and answer questions that will help decide the general areas of science being addressed	Discover the connections between and among the general domains of science, which are physical, earth, and life science. Help students recognize that they can use information from all areas of science to ask and answer questions during their investigations.				
A.4.2 When faced with a science-related problem, decide what evidence, models, or explanations previously studied can be used to better understand what is happening now	Compare previously studied evidence, models, or explanations with current observations to show that things change, stay the same, or follow a pattern.
