### Adjective Antonyms Worksheet

An adjective is a word that describes a noun or pronoun.  
An antonym is a word opposite in meaning to another.

**Directions:** Underline the adjective in each sentence. Re-write the sentence on the lines provided. Replace the underlined adjective with an antonym adjective from the word box .

tall	cold	happy	hot	expensive	
loud	smart	rich	difficult	fast	lots

*Example A:* The boy was happy when he received his report card.

*Answer:* The boy was unhappy when he received his report card.
