

the farmer put out
a scarecrow,

because the crows
were eating his crops.

the school had a fall
festival,

because they wanted
the students to have
fun with their families.

His jack-o-lantern
didn't turn out the
way he wanted,

because he forgot to
draw an outline on his
pumpkin.

His family made a
batch of applesauce,

because they had
gathered a bunch of
apples.
