Dear **[Recipient Name]**:

I am most concerned about your support for legislative initiative 101. Its stringent restaurant sanitation requirements will double our costs, which will, of course, be passed on to the customer. This may put many restaurants out of business.

I own a chain of 15 Italian restaurants throughout Texas. Additionally, I am the past spokesperson for an international restaurant organization and am an active member of its governing board. Our organization has thoroughly researched sanitation laws for restaurants throughout the world. Texas currently has the most stringent laws and is recognized as a leader in the area of restaurant sanitation. Legislative initiative 101 in all cases has standards that even our medical labs would have trouble meeting.

I hope that you will seriously consider the impact that legislative initiative 101 would have on our economy. Such a bill can only cause the loss of jobs and income and create disgruntled customers. Please withdraw your support for legislative initiative 101.

Sincerely,

[Your Name]
