I(be) on Earth in April 2013.

I..... (drive) there in my space ship.

I.....(go) to Sevilla and (eat) some tapas. It was very good.

I (meet) a girl in a flamenco dress and

.....(make) friends with her.

I(take) her to a museum and we (read) about Sevilla's history together.

I(get) a postcard and(write) to my mother on the planet Beetlejuice, which we

.....(send) before I(leave).

On the way home I(put) on some music and (sleep) most of the way to
