

**Dental Hygiene**

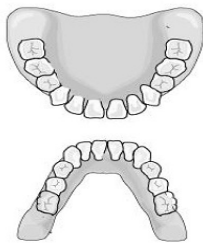

We use teeth to crush our food and break it into pieces.  
Teeth are alive. We must look after them.

**My Teeth are Alive**

Look at these drawings of upper and lower jaws and of teeth.

- 1 - Colour the incisors yellow; the canines red; the molars green.
- 2 - Then count the number of incisors, canines and molars. Write the answers in the boxes..

Cutting tooth	→		<input type="checkbox"/>	incisors
Pointed tooth	→		<input type="checkbox"/>	canines
Grinding tooth	→		<input type="checkbox"/>	molars

**Order In Which Teeth Appear**

Write 1, 2, 3, 4, 5, 6 under the drawings to show in which order teeth appear.

No. ....	No. ....	No. ....	No. ....	No. ....	No. ....
