**How to Respond to Others' Comments or Ideas (SL.5.1)**

At first I thought that.....

I agree with.....

I want to add a comment about.....

I disagree with.....

I have more evidence for.....

I found that comment interesting because.....

I want to connect that comment to our earlier discussion of.....

I have a question about.....

I have an additional point to make.....

I think that.....

I would like to build on that idea.....

I think

I believe

I imagine

I guess

I predict

I disagree because

I don't quite agree

I don't really agree because

I disagree with you entirely

I have another idea

My idea is slightly different

My idea is totally different

I answer somewhat differently

I have a different answer

I'm not sure I agree with you 100%
