CCSS 1.L.1.b Use common, proper, and possessive nouns.

	Possessive Nouns/Showing Ownership		
A possessive noun shows who or what something belongs to. Singular nouns are made possessive by adding 'S. $E_{\text{Example:}}$ The book that belongs to Laci is on the table. \longrightarrow Laci's book is on the table. $E_{\text{Example:}}$ The tail of the dog is wagging. \longrightarrow The dog's tail is wagging.			
	Directions: Rewrite each underlined noun to make it p	ossessive.
