

## Vowel Detective

Add vowels to the following letters to correctly spell the name of an animal.  
Write the name of the animal on the blank line.  
The first one is done for you.

- |             |                          |               |       |
|-------------|--------------------------|---------------|-------|
| 1. m s      | _____ <b>mouse</b> _____ | 13. c t       | _____ |
