

A SENTENCE-MAKING MACHINE

The diagram consists of a vertical list of animals on the left, connected by lines to various boxes of words and phrases on the right. The connections are as follows:

- Line:** connected to a box containing "big", "small", "gray", "brown", "black", "white".
- Elephant:** connected to a box containing "long", "short", "big", "no".
- Hippo:** connected to a box containing "dark", "light", "black", "white", "orange", "red", "purple", "yellow".
- Rabbit:** connected to a box containing "African", "American", "The", "dark", "light", "black", "white".
- Snake:** connected to a box containing "Fly", "swim", "run", "walk", "climb", "crawl".
- Monkey:** connected to a box containing "small", "big", "gray", "brown", "black", "white".
- Goat:** connected to a box containing "small", "big", "gray", "brown", "black", "white".
- Camel:** connected to a box containing "small", "big", "gray", "brown", "black", "white".

Illustrations of a dog, a bear, a girl, a panda, a lion, and an elephant are placed around the machine.

1. Use the machine. Write sentences about these animals.
