- Identify the adverbs and adverbial phrases in the following passage.
- Use them in sentences of your own.

Sleepily, Harry pushed the dog off the bed and swung his legs over the edge. The dog moaned gloomily, and slurped Harry's hand. "Ugh," Harry groaned and quickly wiped his fingers in his pillowcase. "Oh, no!" he muttered and clumsily took the pillowcase off the pillow.

Harry looked at the clock. He leapt off the bed in a rush, tripped over his slippers and banged heavily into the wardrobe. "Not a good start to the day," Harry thought mournfully.
