Read Jane's favorite things!

I have a lot of favorite things. I like pop music. I like cinema and my favorite films are funny films. I don't like scary films. I am interested in all sports, but my favorite sport is archery because it's exciting. I don't like computer games. Books are my favorite things! Watching racing cars is exciting, but my brother likes them. I like shopping instead.

Now tick Jane's favorite things!
