

Adèle-Someone like you

A) Pre-Listening

Read the lyrics and circle the Past Verbs. Share them with the class.

B) While-Listening

1. Listen to the song and put the lines in order. The first example is given for you.
2. Check your answers with a partner. Listen second time and check it again

C) Post-Listening

1. Sing the song while listening.
2. (Group work-Chain writing) Use a blank piece of paper write the words you learned from the song. When the teacher claps, pass your paper to the person on the right (or left). Then add words which aren't on the list.

-- Ain't like you to hold back or hide from the light,
-- Guess she gave you things I didn't give to you,
-- I heard that your dreams came true,
-- I heard that you're settled down,
-- Old friend, why are you so shy?
-- That you found a girl and you're married now,

-- And that you'd be reminded that for me it isn't over,
-- But I couldn't stay away, I couldn't fight it,
-- I had hoped you'd see my face,
-- I hate to turn up out of the blue uninvited,

Never mind, I'll find someone like you,
I wish nothing but the best for you, too,
Don't forget me, I beg,
I remember you said,
"Sometimes it lasts in love,
But sometimes it hurts instead,"
Sometimes it lasts in love,
But sometimes it hurts instead, yeah,

-- Bound by the surprise of our glory days,
-- Only yesterday was the time of our lives,
-- We were born and raised in a summer haze,
-- You know how the time flies,

-- And that you'd be reminded that for me it isn't over,
-- But I couldn't stay away, I couldn't fight it,
-- I had hoped you'd see my face,
-- I hate to turn up out of the blue uninvited,

Never mind, I'll find someone like you,
I wish nothing but the best for you, too,
Don't forget me, I beg,
I remember you said,
"Sometimes it lasts in love,
But sometimes it hurts instead,"
Sometimes it lasts in love,
But sometimes it hurts instead, yeah,
