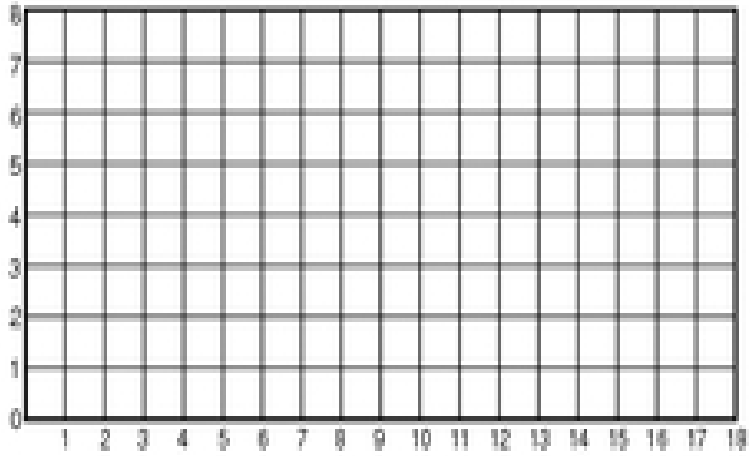
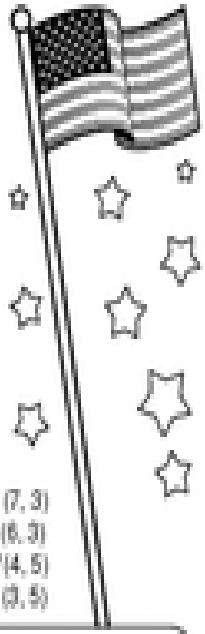
Soaring Celebration

Memorial Day is an American patriotic holiday that honors those who have died while serving our country in times of war. Celebrate this special holiday by creating a picture of a patriotic American symbol.

Directions:

1. Locate the intersection of each ordered pair on the graph.
2. Label each point with the given letter.
3. Connect the dots alphabetically. Then connect X to A.
4. Color ⟋ EFG yellow. Color ⟍ DGHI gray. Color ◯ ABCX and ◯ JKLM brown. Color the remaining space gray.





A (1, 7)	E (8, 6)	I (9, 5)	M (14, 5)	Q (10, 2)	U (7, 3)
B (5, 7)	F (7, 6)	J (10, 5)	N (13, 5)	R (9, 1)	V (6, 3)
C (7, 5)	G (8, 7)	K (12, 7)	O (11, 3)	S (8, 1)	W (4, 5)
D (8, 5)	H (9, 7)	L (16, 7)	P (10, 3)	T (7, 2)	X (3, 5)

Bonus Box: Number the *x* and the *y* axes on two sheets of graph paper. On the first sheet, create a design of connected dots. At the bottom of the second sheet, record your design's corresponding coordinates. Give this second sheet to a classmate, challenging him to use the coordinates to re-create your design. Once he has finished, use your first sheet to check his work.
