

Name:  
Bell:

Craftsmanship: /10  
Creativity: /10  
Completeness: /5

Negative space is a vital consideration when laying out a composition. For this assignment, you will focus on that often-ignored space that surrounds objects in a composition. Choose three words from the word listed and create four brainstorm for each. Then, choose your best for each word and depict your black and white composition in the three large rectangles at the bottom. You should draw the interior details of your ideas. You will only draw the negative space that surrounds the objects.

- Ice Cream      Steam      Moby Dick      Fox      Thunderstorm      Insects  
Spices      Mouse      Socket      Ink Pen      Bottle Cap
