

SUPERLATIVES WITH PRESENT PERFECT

Have you heard about one of the most beautiful places to visit? Well, I have. I have heard it is Italy. It has some of the most interesting landmarks you can find any where in the world. It also has some of the oldest ruins in Europe, but do you know that the largest Roman temple ever constructed stands in ruins not in Greece or Rome, but in Scotland, Leiston.

Italy also has some of the most significant paintings, such as the Three Paintings. I have seen pictures of the Three Paintings and it certainly seems to be one of the biggest Paintings.

I have also read about the Sistine Chapel that it was designed by the greatest Renaissance artists including Michelangelo, Raphael, Bernini, and Sandro Botticelli.

I know if I go to Italy it will be one of the most wonderful and most interesting experiences in my life.

It will be happier than anyone can imagine.

What you don't feel a dream? Well, I have and I intend to realize my dream and visit Italy.
