WELCOME TO GRAB THE GOLDEN EGG	
Welcome to the first task of the Triwizard tournament. Here you must use your skill to recover the golden egg from the nest o the Hungarian Horntail dragon.	
PLAY GAME	
INSTRUCTIONS	
Use the arrow keys to guide Harry Potter to his wand. Then conjure up Harry's Firebolt to fly up passed the dragon and recover the golden egg.	
Run in the desired direction

Fly in the desired direction	
Points	
You were too slow and have been singed by the flames of the dragon. The cares of Madam Pomfrey should have you back on your feet in no time. So do not despair and try again...	
Remember you can quickly dodge the fireballs by jumping or crawling at the right moment.	
The dragon will chase you if you fly near him, so use those few seconds he is away from the egg to zoom past him and collect your prize.
