

4th & 5th Grade Spelling Bee List

It is time to begin studying for the classroom and school-wide spelling bees. 4th and 5th graders will compete against each other to determine who will represent Flippen Elementary at the Henry County Spelling Bee. Two representatives from each class will compete in the school spelling bee on January 12, 2010. This paper contains a study list of words for the school spelling bee taken from the official SpellIt! word list used for the National Spelling Bee. As you study, you will find these two websites VERY helpful: www.myspellit.com (for tips & tricks) and www.m-w.com (for pronunciation & meanings). If you have any questions, please ask your teacher or Mrs. Adair. Good Luck!
