

### Choose the Correct Homophone

Name: \_\_\_\_\_

Recall that homophones are words that sound the same, but have different meanings. For example, a home can be for sale, while a boat can have a sail. The context of the word can help you decide which homophone should be used.

Complete each sentence by choosing the correct homophone and writing it in the blank.

1. After he was sick for several days, his voice was \_\_\_\_\_ (weak/weak).
