

Name _____

Food Chains

Learn about food chains.

Look at the food chain. Write which living things are the producers, predators and prey.

| | | | | | | |
|---|---|---|---|---|---|---|
|  | → |  | → |  | → |  |
| | | grass | | rabbit | | coyote |
| Producer: _____ | | Prey: _____ | | Predator: _____ | | |

| | | | | | | |
|--|---|--|---|--|---|--|
|  | → |  | → |  | → |  |
| caterpillar | | frog | | snake | | owl |
| Prey: _____ | | Prey: _____ | | Predator: _____ | | |

Put the letters from each living thing into the correct order of a food chain.
