

# Halloween Madlib

One day, Dr. Frankenstein made a \_\_\_\_\_ . It was the most  
(noun)

\_\_\_\_\_ thing he had ever seen. It had \_\_\_\_\_ legs, fourteen  
(adjective) (adjective)

\_\_\_\_\_ , and three \_\_\_\_\_ .  
(plural noun) (plural noun)

"What have I done?" said the doctor. "I've created a  
\_\_\_\_\_ !" He took it to the laboratory. It started to \_\_\_\_\_ .  
(noun) (verb)

"Wow!" said the doctor. "I guess I'll have to \_\_\_\_\_ ." He  
(verb)

took a scalpel and cut it from its \_\_\_\_\_ to its \_\_\_\_\_ .  
(noun) (noun)

"Stop!" it cried. "This will make me \_\_\_\_\_ ."   
(verb)

"\_\_\_\_\_ !" shouted Dr. Frankenstein. "It wasn't that bad, was it?"  
(exclamation)

The \_\_\_\_\_ beast roared back its \_\_\_\_\_ .  
(adjective) (plural noun)

"Be careful not to \_\_\_\_\_ for at least two \_\_\_\_\_ ." said Dr.  
(verb) (plural noun)

Frankenstein.

So the creature roared. Soon it felt like a new \_\_\_\_\_ .
