

Write several uses of the objects in the space provided. What purposes do they have? How are they used? Use your imagination and create interesting situations.

**Question:** What does each object mean to you? Is it important? What memories do the objects bring to mind? (Drawing)

**General Remarks:** These objects of everyday use provide a source of ideas for writing. Students should be encouraged to explore the objects in detail, remembering to describe them in terms of appearance, color, shape, texture, function, and other characteristics.
