**Directions:**

1. Study your spelling words until you know them all.
2. Cut off the top portion of this paper and give it to your mom or dad.
3. On the back of the bottom portion, number your paper from 1 to 20.
4. Have someone read you the words as you write them correctly.
5. Using the top portion as a key, correct your test, and give yourself a score. Practice writing the words you missed. Return your practice test to class on Friday.
