

Spelling Activities

The following is a list of spelling activities that students can complete to help them practice their spelling words at home.

1. Write your spelling words in alphabetical order.
2. Write your spelling words in crayon or pen. Write each consonant letter in red and each vowel in blue.
3. Make a set of flashcards for studying your words.
4. Write each spelling word three times.
5. An adult writes your spelling words with all the letters scrambled up. Then the student has to unscramble the words.
6. Write each spelling word. Next to each word, write two additional words of at least three letters that can be spelled using the letters in the word. Example: the word pickle can be used to make the words lick, pick, like, and lip.
7. Use each spelling word in a sentence. Correct spelling and grammar count!
8. Write your spelling words on cards (make two sets) and play "Memory Match" with them against a sibling or parent. (Parent must write "Memory Match Game" in the communication log, sign and date .)
