

The Amazing Writing Machine Instructions

1. Put in the CD.
2. Click on **run** If the start up doesn't produce a run screen, click on **My Computer** and then click on the **Writing Machine** icon.
3. Choose what kind of writing you want to do (ie. Essay, letter, story, poem, journal).
4. If you pick **Spin**, examples are provided to help you understand how to write in the different writing styles. If you choose **Write**, you are left to your own imagination.
5. The following are explanations of each icon to help you use the **Writing Machine**:

-  = Creates outlines of shapes for you to draw in.
-  = Changes the size, shape, and kind of lettering.
-  = When you highlight your writing and click on these icons, your words are put into secret codes.
-  = You can click on the icons below and put the pictures in your writing.
-  = These are sentence starters and phrases to help you when you get stuck.
-  = These are different robot voices that will read your *highlighted* writing.
-  = This is for drawing.
-  = This is for painting.
-  = This is for adding background to your pictures.
-  = This is for adding boxes for more pictures in your writing.
