

### Career Inventory Worksheet

**Directions:** After you have taken the career inventory found at CareerKey.org, answer the following questions below using the results of the inventory. Use the back of this sheet if necessary.

1. List your scores for each of the six basic types of people and circle the highest two:

realistic\_\_\_\_            investigative\_\_\_\_            artistic\_\_\_\_  
social\_\_\_\_            enterprising\_\_\_\_            conventional\_\_\_\_

2. Do you think the category you got the highest in reflects your personality? Why or why not?

3. For the next section, fill in the information for your top 3 favorite careers you chose to look at.

Career 1: \_\_\_\_\_

Type of Work:

Salary Range (if necessary, list salaries for specialized subgroups):

Demand for the job:

Competitiveness for jobs in that field:

Educational Requirements:

Special notes/Important information about the job:

Do you think you could find a job in this career in this area?

Why do you think you would like this career?
