

Name: _____

Date: _____

Directions: Read the poem. Circle 11 compound words including in the title.

Outdoor Bedtime

One night at bedtime,
I stayed outside,
there in the moonlight,
up on a haystack,
where it was easy to hide.
Nobody saw me
tucked out of sight,
field for a bedroom,
nightlight a firefly,
telling the scarecrow good night.

Choose one of the compound words you circled and use it in a sentence below.

Color only the pictures of compound words.

dog

goldfish

butterfly

alligator

firefighter
