2010-2011 Dependent Student Verification Worksheet

The U.S. Department of Education and/or Castleton State College selected your file for "Verification". The Financial Aid office is required to compare the information from your application (FAFSA) with the information on this form and signed copies of your and your parent(s)' 2009 Federal income tax returns and W-2 forms and sometimes other financial documents. The law says we have the right to ask for this information. If there are differences between your application and your financial documents, we will send corrections electronically to the U.S. Department of Education. If corrections are made, you will then receive an updated Student Aid Report (SAR) from the Central Processor (CPS). This may result in an adjustment to your estimated financial aid award. **Financial Aid payments will not be made to your Student Account until all verification requirements have been met and the necessary corrections have been made.**

What you should do:

1. Complete and sign this Federal Verification Worksheet. **An incomplete form will be returned to you, which will delay your financial aid.**
2. Send this completed worksheet, complete **SIGNED** tax returns including all Schedules and Attachments **as submitted to the IRS** and W-2s to the address above.
3. If you have any questions, please call our office at 802-468-6070.
