2009-2010 Verification Worksheet for Federal Student Aid Programs

Your application for Federal Financial Aid was selected for review in a process called "Verification." In this process, your school will be comparing information from your application with signed copies of your (and your parent's) 2008 Federal 1040, 1040A, 1040EZ tax forms, 2008 W-2 forms, and other financial documents. The law says the school has the right to ask for this information before awarding Federal aid. If there are differences between your application information and your financial documents, your school may need to make corrections electronically by using your Student Aid Report (SAR).

Your school must review the requested information, under the financial aid program rules (34 CFR, Part 668).

Complete this verification form and submit it to your financial aid administrator as soon as possible, so that your financial aid won't be delayed. **Don't forget to submit signed copies of your (and your parent's) 2008 Federal income tax forms (1040, 1040A, 1040EZ), and copies of your 2008 W-2s.**
