

## How Jesus Taught

### Step 1

He took the people where they were and made the lesson meaningful to their lives in some way. He spoke to shepherds about sheep, farmers about planting, fishermen about fish, etc.

### Step 4

He asked them to go and tell others. "Go ye therefore, and teach all nations..."

### Step 2

He brought in the facts—Scripture. "It is written..."

### Step 3

He asked them to do something with what they learned—to actively respond—doing and practice are vitally connected with knowing.
