Notice: USAESCH personnel, contractors and all subcontractors must comply with all Occupational Safety and Health Administration (OSHA) laws, state and local mandates and adhere to the requirements of EM 385-1-1, Corps of Engineers Safety and Health Requirements Manual. This AAPP is not intended to define full compliance with OSHA or other safety laws, codes or regulations. Compliance with OSHA and other safety laws, codes or regulations, and maintaining a safe work environment for contractor or subcontractor employees remains the Contractor's responsibility.

NOTE: This AAPP is to be used for site visits only and must be accepted by the USAESCH Safety Office prior to the site visit. All members of the site visit team must comply with the provisions within this AAPP and attend a tailgate safety briefing just prior to the start of the visit and complete the Site Visit Team Statement on Page 7.

SPECIAL INSTRUCTIONS: Coordination must be made with the installation prior to conducting the site visit. Contact the USAESCH PM to assist in making arrangements. **Photographs** and **Video Recording** must also be coordinated with the USAESCH PM, if it is determined to be a necessary requirement.
