

Four-in-a-Row Mental Math

As the clues are called out, do the math in your head. Do not call out any answers.

Use the chips provided to cover up four in a row.

This can be vertical, horizontal, or diagonal.

60	25	9	3
5	40	18	36
90	170	0	50
11	6	106	12
