

## MLA Bibliography Worksheet

Many students become confused about what to write down when putting together bibliographic information. This worksheet will help you to assemble the necessary information, in the proper order, for your MLA "Works Cited" page. See also [MLA Citation Handout](#) for more examples.

### BOOK: Information you'll need to cite a book

Information needed	Page	Date	Publisher
--------------------	------	------	-----------

### Reference Books

<b>Code:</b>	<b>Source</b> <small>Author of article/entry (Sometimes no author) / Author of article/entry / Sometimes no author or creator is listed. Leave blank</small>	
	<b>Title of article/entry</b>	
		<b>Title of Reference Book</b>
	<b>Page Numbers</b>	
	<b>Call number</b>	<b>Volume Number</b>
	<b>Publisher</b>	<b>example: RCP</b>
	<b>Copyright Date</b>	<b>Copyright</b>
	<b>School Library</b>	<b>School Library</b>
