

MLA Bibliography Worksheet

Many students become confused about what to write down when putting together bibliographic information. This worksheet will help you to assemble the necessary information, in the proper order, for your MLA "Works Cited" page. See also [MLA Citation Handout](#) for more examples.

BOOK: Information you'll need to cite a book

Information needed	Page	Page	Page
--------------------	------	------	------

Reference Books

Code:	Source <small>Author of article/entry (Sometimes no author) / Author of article/entry / Sometimes no author or creator is listed. Leave blank</small>	
	Title of article/entry	
		Title of Reference Book
	Page Numbers	
	Call number	Volume Number
Publisher	Example: RCP	
Copyright Date	971.5	Copyright
	School Library	School Library
