

# Musical Math

Just like in math, we can add notes together and get a certain number. Write what each of the notes below equal and then try some of the problems! You can work with a partner. Good luck!

Whole-note-hold-it    half-note    pie

---

1. + = \_\_\_\_\_

5. + = \_\_\_\_\_

2. + = \_\_\_\_\_

6. + = \_\_\_\_\_

3. + = \_\_\_\_\_

7. + + = \_\_\_\_\_

4. + = \_\_\_\_\_

8. + + = \_\_\_\_\_

Great job! See if you can draw your own problem below!
