

My favourite sport

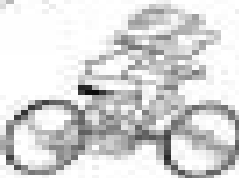

Read the text and answer the questions.

My name is Steven and I'm 11 years old. I'm British and my favourite sport is juggling. I play juggle twice a week at school and in the afternoon I meet some juggling friends, Wednesday and Friday. In the afternoon I usually take a walk with my dog, we are very good at soccer and we often win. Of course I'm the school team but I like a lot of things and we don't often win, so juggling is the best. My friends think it's hard and I hope to be a professional juggle player.

Write my name is Timothy and I'm American. I'm 12 years old and I'm from the United States. I like a lot of sports and I like to play in the park. I like to play soccer with my friends and I like to play in the park. I like to play with my father and my brother. I'm in the school team and I'm very good at soccer. I like to play soccer and I like to play soccer. I like to play soccer and I like to play soccer.

I'm Steve and I live in England. I'm 10 years old and I practice cycling. I like this sport because I can practice it in the park. In the summer I go cycling every day for three hours, usually in the morning. It's better for me to go cycling because it's better than other sports. I always wear my helmet to protect my head and I like to go with my parents and other friends of cycling. We go cycling on holiday to the Lake. Last year we went to the Lake and it was very good.
