

# DESIGN A VOLCANO T-SHIRT

## Directions:

Use your creativity to design a T-Shirt for Louis to wear that will remind him not to interrupt. You may wish to use these cut and display them on a bulletin board.

Remember what Louis' mom told him to do when he wanted to interrupt:

"When your words are pushed into your teeth by your tongue..."

- Sit down really hard
- Bounce your words out through your nose
- Wait until the other person has finished talking and
- Bounce your words back into your mouth
