

Name: _____

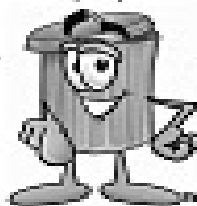

Supplies: Teacher uses this game board, students can use copy or use scratch paper and pencil to record.

Object: To get the highest number using four rolls of the die.

Directions: Teacher plays against the entire class, rolls die four times, calling out the number rolled each time. Student can keep the number rolled or throw it away by writing in one column. After the fourth roll, teacher calls out his/her highest number, winner is the player with the highest number.

Variation: Game winner can be varied by adjusting rules, highest, lowest, odd, even, playing with a die you create or playing an easier version to the tens column.

Hundreds	Tens	Ones	Hundreds	Tens	Ones
